- Olive wood veneer
- Dark, rich textured wood finishes complementing today's furniture market trends
- Transitional style; luxurious traditional finishes modernized on clean, contemporary profiles
- Rabbet depths of 7/8" can accommodate stretcher bars, multi-level and 3-dimensional framing projects
- Framing applications range from traditional to modern: works on canvas, watercolor paintings, antique prints, lithography and etchings, to decorative art, 20th Century photography and graphic art.
